High Street Purchases Maryland Building

Boston-based High Street Equity Advisors recently purchased a 105,000-square-foot warehouse distribution building in Edgewood, Md., from NAI Emory Hill Real Estate Services for \$7.2 million.

The facility is located at 1704 Trimble Road, 20 miles north of Baltimore and less than a mile from the Aberdeen Proving Ground, the Army's center for research, development and testing of advanced weapons. It is leased to Master Halco Inc., the world's leading distributor and manufacturer of perimeter security and fencing.
