Boston-based High Street Equity Advisors has purchased three West Chester Township distribution buildings totaling 421,300 square feet for \$17.7 million.

The buildings were part of a larger \$95 million portfolio acquisition from First Industrial Realty Trust that included 11 other buildings in northern New Jersey.

The local buildings at 4434 Muhlhauser Road, 9449 Glades Drive and 12072 Best Place are fully leased and complement High Street's earlier acquisition of the warehouse at 4440 Muhlhauser, the company said.
