

[Tiffany joins High Street](#)

[High Street Equity Advisors LLC](#) said it has appointed Carolyn B. Tiffany to the position of chief operating officer.

The Boston-based real estate investment firm said Tiffany will be responsible for the financial portfolio and asset management activities, including asset sales.

Tiffany previously served as executive vice president and chief operating officer for Winthrop Realty Partners, a national real estate investment and management company, High Street said. (By Chris Reidy, Globe staff)
